

TECNI Ltd Environmental Statement

TECNI Ltd recognises the need for sustainable development and continually aims to improve the environmental effect of its activities, to achieve this we will:

Establish sound environmental management by:-

- Meeting or improving upon relevant legislative, regulatory and environmental codes of practice.
- Developing strategies that target environmental improvements and monitor performance at Management Review Meetings.
- Considering any environmental impact when making strategic decisions at the Management Review Meetings.
- Developing a relationship with suppliers and contractors so that we all recognise our environmental responsibilities.
- Educating staff so that they carry out their activities in an environmentally responsible manner.

Provide for the effective use of resources by:-

- Promoting waste minimisation by recycling or finding other uses for by-products whenever economically viable.
- Promoting the efficient use of resources, energy and fuel throughout the organisation's operations.

Co-operate with:-

- The communities in which we operate.
- The Government, regulatory bodies and other interested parties with the shared vision of being a good and trusted neighbour.
